

## Privacy policy

Acting and applying the "General Data Protection Regulation" (GDPR) of the EU as well as the positive regulations adopted in the Republic of Serbia to implement the principle provisions of the mentioned regulation, the company "Life Scan DOO" takes special care of the protection of personal data, and in order to implement the legal, transparent and fair processing of personal data, brings

### PRIVACY POLICY

#### Purpose of adoption:

Since "Life Scan DOO", in the best possible way, by various internal regulations protects the personal rights of all persons (both employees and future candidates for certain positions, including other persons whose data is processed and stored in the company's premises in any way), following the principle of completeness and comprehensiveness, a specific privacy policy has been compiled in order to better serve all persons who visit the official website <https://www.life-scan.rs>, and to provide them with clear and concrete information on how we collect, process, protect or otherwise handle their personal data. This privacy policy applies only to the "Life Scan DOO" web page. It does not apply to the websites of other organizations, nor the websites of third parties. The Internet presentation of "Life Scan DOO" may contain links to the Internet pages of such organizations that have their own privacy policy that applies only to them.

#### **Consent:**

By using the website <https://www.life-scan.rs>, you simultaneously agree to the terms of the subject privacy policy. "Life Scan DOO" reserves the right to make changes to the mentioned conditions, about which you will be informed in a timely manner via the official website.

Types of data we collect and store:

#### **Definition of cookies:**

Cookies are text files with small amounts of information that your device downloads when you visit our site. "Life Scan DOO" uses cookies to collect statistical data about visitors, such as: the number and geolocation of people who visit our site and the period of using the site, they also tell us anonymously how people reached our site (through internet browsers, directly or social networks), thus allowing us to better monitor, analyze and position our site.

Below is a description of the types of cookies used on our website, including a description of their purpose.

#### **Required Cookies**

Description of purpose: Necessary cookies help the website to be usable and working by enabling its basic functions.

<b>Name of the cookie</b>	<b>Provider</b>	<b>Type</b>	<b>Duration</b>
PHPSESSID	life-scan.rs	HTTP	session

**session** - the time the user stays on the site.

### **Statistics Cookies**

Description: Statistical cookies help understand how visitors interact with the website by anonymously collecting information and reporting.

<b>Name of the cookie</b>	<b>Provider</b>	<b>Type</b>	<b>Duration</b>
_ga	life-scan.rs	HTTP	2 years
_gat	life-scan.rs	HTTP	1 day
_gid	life-scan.rs	HTTP	1 day

### **Turning off cookies**

You can turn off cookies by adjusting your browser settings, but doing so will likely limit the functionality of our website and many other websites, as cookies are an integral part of most modern websites.

### **Security of your data**

"Life Scan DOO" takes all security measures to keep your personal data protected and safe. None of the information we possess will be sold or transferred in any way to third parties and organizations, except in the case of fulfilling clearly defined and precise legal obligations. One of the most basic postulates of our business is the protection of all the data we own, regardless of their importance and place in the system of basic human rights. In the case of hiring an external data processor, you will be notified in a timely manner through the website, while our company, through the signed contract, will ensure the security and confidentiality of your personal data, while striving to achieve both the purpose and the goal of the Personal Data Protection Act.
